

On the outside, the sleek and stylish Miller 32 presents two facade options that offer a distinctly contemporary take on luxury living. Mode 1 presents a timeless design with a striking pitched roof, while Mode 2 displays a cubist feel with Scandi-inspired timber slat accents. Inside, the Miller is both fresh and dynamic with floor to ceiling windows and a free-flowing floor plan. A grand master bedroom positioned privately at the front of the house offers the ultimate escape, while three further bedrooms and a spacious living area are just the thing for a growing family.
